THANK YOU FOR INSPIRING HOPE FOR A BETTER TOMORROW.
Dear Friends:

Communities depend on leaders for inspiration and guidance and the United Way of Wyoming Valley depends on its Leadership and Labor Leadership Givers for the same. Your investment in United Way is leveraged with the support of more than 1,000 others - helping to produce some very powerful and positive results.

As an organization, we are indeed fortunate to have supporters like you who truly embody the mission of United Way – “Impacting Lives, Today, Tomorrow, and Forever.” United Way Leadership Society members are leaders in philanthropy and your gift to the 2011-2012 Community Campaign has already made a life-changing impact.

Leadership Giving continues to represents the area of greatest growth within the United Way Campaign. It is your generosity which will enable us to provide assistance to more than 40,000 individuals in the Wyoming Valley this year. To hear some of the stories of individuals that have already received help, please visit our website at www.unitedwaywb.org.

Thank you again for being a leader in your community and for helping us to Advance the Common Good: Creating Opportunities for a Better Life for All.

Sincerely,

Bill Jones
President and CEO
United Way of Wyoming Valley

Walter Klepaski
V.P. Labor Participation & AFL-CIO
Community Services Liaison
United Way of Wyoming Valley

Special Acknowledgment:

Special thanks to the Luzerne Foundation and Community Foundation of the Endless Mountains for their partnership in building stronger communities. Your leadership has made a significant impact in the lives of many. We are extremely fortunate to share in a similar mission of advancing the common good.

While United Way makes every possible attempt to recognize our donors with the utmost accuracy, we apologize for any errors or omissions that might have inadvertently occurred in this acknowledgement of our valued donors. Extensive efforts were made to identify all leadership givers. However, some employer policies prohibit the release of donor names. If for some reason, your name was omitted or listed as anonymous – and you want it included in the future, please call 829-6711, x243.

United Way of Wyoming Valley is very fortunate to have a number of retired union members who continue to make an annual donation at the Labor Leadership Giving Level of $300 or more. Last year, 26 retired union members generously donated at the Labor Leadership Giving Society Level for over $13,000. United Way of Wyoming Valley would like to commend the below listed retirees, who continue to support their community and valuable human service programs through the annual campaign.
