ROLLOVER CAMPAIGN

WHAT IS A ROLLOVER CAMPAIGN?

A Rollover Campaign takes your employee giving (payroll deductions and billing) from 2021's annual campaign and automatically rolls it over to the 2022 campaign, including gift amount, type of pledge and any designations, unless any changes are specified by the employee. Any gifts that were made via cash, check, or credit card are not eligible for rollover and would need to be made by the employee as a new gift. Any employee always has the option to make changes to their gift including an increase, decrease, or other adjustment based on their personal situation.

WHAT STEPS ARE INVOLVED?

- **Complete and submit the confirmation form below.** On the back of this sheet is a form to provide us with all the details needed to get started.
- **Define your timeline for when you want to run your campaign.** This looks a lot different than a traditional campaign. Right before your campaign, you'll need to communicate to your employees the details and how they can make adjustments. We recommend about 2 weeks for notification of adjustments to their gift including designations or to increase giving.
- **Determine a point person for employees to contact regarding changes to their gifts or renewals for cash, check, or credit card gifts.**
- **Reach out to new employees that have joined since the end of your 2021 campaign.** Provide new staff with a United Way packet including a pledge form and brochure.
- **Submit pledge forms to your United Way contact for any new employees or changes for existing donors at the end of your campaign.**

WHAT TOOLS CAN UNITED WAY PROVIDE?

- **2021 Donor Information:** We will provide a spreadsheet with the details of your 2021 giving including donor name, amount, and designations for ease of answering employee questions.
- **Communication Plan:** We will provide sample communication to help you inform your employees about the campaign as well as answer questions that might come up.
