A SIMPLE CONCEPT WITH TANGIBLE RESULTS.

UNITED WAY'S LITERACY KITS

ENCOURAGE YOUNG CHILDREN

AND FAMILIES TO READ TOGETHER AND PREPARE FOR KINDERGARTEN.

**61% OF AMERICA'S
LOW INCOME
CHILDREN
ARE GROWING UP
IN HOMES
WITHOUT BOOKS.**

DID YOU KNOW when children are not reading proficiently by the end of third grade, research shows they are more likely to drop out of school or not graduate on time? Unfortunately, many young students in Wyoming Valley are already on this path. Literacy kits can help.

Each kit contains a children's book, some classroom supplies, and a variety of fun learning activities designed to help support letter and number recognition, counting, and recognizing patterns.

HOW DO PRESCHOOLERS GET READY FOR KINDERGARTEN? They work on practicing early literacy skills during reading time and engaging in other fun learning activities during the summer.

YOUR SPONSORSHIP OR DONATION to United Way of Wyoming Valley's Literacy Kit project can help improve children's readiness for their first day of school.
